

**Website Publication of Player Photographs and Names**

Players involved in Club activities may be photographed. These photos may be published on any Club sponsored web page or in any other publication provided that player photographs are displayed only as below.

The publication of any player's photograph on any Club sponsored web page or in any Club sponsored publication shall be in accordance with the following guidelines:

Photographs: All photographs shall involve players engaged in a Club related activity. Names of players participating in Club sponsored teams may be listed with the team photographs.

The Club reserves the right to post group photographs in which the players are not clearly identifiable. Please note that players may not always be recognized by the Club member publishing photographs to the Club website or Club publication. Please contact the Club if you object to a photograph including your player posted to the Club's website and you would like it removed. The photograph will be removed promptly.

Names: Names of players without photographs may be published on any Club web page in recognition of accomplishment.

Photographs of players whose parents/guardians have filed a written objection on or before August 1 of each playing year to the use of such photographs shall not be published by the Club.
