

The Panther Soccer Club of Oswego would like to announce the 10th annual Memorial Day Soccer Tournament. The tournament will be held May 25 -27, 2012 at Prairie Fest Park, Oswego.

We are currently accepting tournament sponsors to help support and defer the costs of the tournament. All sponsorships are tax deductible.

The Panther Soccer Club Memorial Weekend Tournament is one of the largest events held in Oswego and is second only to Prairie Fest considering the number of people in attendance. Last year we had 154 teams with over 6000 players, spectators, and coaches. Games are held on Friday, Saturday and Sunday and all teams play throughout the weekend. Many different levels of Sponsorship are available. **This is an excellent opportunity for your business to receive recognition for supporting the community and youth soccer.** Please contact our sponsorship committee for more information.

Panther Soccer Club

The Panther Soccer Club is a not-for-profit soccer organization that provides competitive travel soccer to the youth of Oswego and the surrounding communities. The club has an annual membership of about 250 families. Competitive teams are provided for both boys and girls starting from age 6 and continuing through age 18. Additionally the Panther Soccer Club organizes several Player Development Programs throughout the year both indoor and outdoor for children pre-school through 5th grade.

As a not-for-profit club we are supported by our dues and the generosity of the community. For the past 9 years the club has organized a Memorial Weekend Soccer Tournament to help defer costs and make competitive soccer affordable for the youth of Oswego and the surrounding communities.
