- b. Michael brought up an idea for the PSC high school players at the February Board meeting. He shared the idea of a partnership between PSC and the Kickers and has all our high school players form a team called FCX. Both teams lose many serious high school players to other teams who have enough kids to field a team. This would ideally be a tiered soccer program for the high schoolers. Different levels based on the players' commitment to soccer. He was able to talk to Nick Goodwin of the Kickers and at this time they are not interested.
